

## Laura Maibaum

Associate  
Dusseldorf

### Biography

Laura Maibaum assists national and international industry clients in all aspects of patent law. She focuses on patent litigation against both competitors and non-practicing entities regarding patent infringement proceedings and nullity actions.

Laura has experience in advising clients especially in the telecommunications technology and consumer electronics sector. She also assists clients in cases involving standard-essential patents (SEPs) and competition law aspects.

Laura studied law at the University of Münster and spent a semester abroad in Rome, Italy. During her legal traineeship Laura worked for the intellectual property law practices in our offices in Dusseldorf and Tokyo.
