

## Koos Janssens

Associate

Amsterdam

### Biography

Skilled in all aspects of employment litigation and dispute resolution, Koos Janssens divides his time between dispute resolution and helping clients to control their risks in advance. Furthermore he is involved in transactions in a variety of sectors.

Koos advises about a broad range of employment related matters, such as individual and collective dismissals, employment benefits, non-competition covenants and illness related employment matters. Koos has also a specific interest in employee participation which strengthen his transactional work.

Dutch employment law is subject to continuous change. Koos regularly publishes articles and annotations in legal journals on employment law subjects. He has also contributed to several employment law related textbooks.
