

Nathan Buckley

Counsel

London

Biography

Nathan Buckley is a finance lawyer with extensive experience advising lenders (including commercial banks, development finance institutions, multi-laterals and institutional investors) and sponsors on the financing and structuring of energy and infrastructure projects, internationally and in the UK.

He regularly advises clients on a range of financing structures, including project finance, acquisition finance, portfolio project finance and general corporate finance, with a particular focus on renewable energy. He also has significant experience advising infrastructure and energy funds and their lenders on fund financing arrangements.

As well as being a member of the firm's Finance and Energy & Natural Resources practices, Nathan is also a member of the firm's Africa practice, advising a range of clients active in the region.

Representative experience

Advising Legal & General, EIB and a major UK bank on their joint funding of the Royal Liverpool Hospital PFI project.

Advising the mandated lead arrangers on the financing of the Essex Waste PFI project.

Advising the mandated lead arrangers and EIB financing the £500m Nottingham Express Transit Phase 2 project.
