

## Mexico | Pandemic and Human Rights in the Americas and its effect on companies

**17 April 2020**

On April 10th, the Inter-American Commission on Human Rights (IACHR) adopted the [Resolution 1/2020](#) by which it issued several recommendations to the governments of the states which are members of the Organization of American States (OAS) (which includes Mexico), in order to protect the human rights of its population in regard to the ongoing COVID-19 pandemic situation.
