

Dr. Stefan Küster

Associate
Hamburg

Biography

Stefan Küster advises national and international clients on all areas of EU and German competition law.

Stefan Küster can help you with merger control proceedings and cartel investigations before national competition authorities and the European Commission. He also represents clients in cartel and abuse of dominance proceedings and the litigation of cartel damage claims before national and European courts. Furthermore, Stefan Küster is experienced in advising clients on how to structure agreements, distribution systems and rebate schemes in compliance with antitrust laws, as well as on how to implement agreements concerning joint marketing, manufacturing and distribution.

Before joining our firm, Stefan Küster gained experience as a trainee in antitrust law at the Federal Cartel Office, in the antitrust senate of a higher regional court and as a research assistant at another leading law firm in Hamburg and Brussels.
