

Sarah Stewart

Senior Associate

London

Biography

Sarah is a senior associate in our investment funds group. Sarah advises on a broad range of investment funds, in particular real estate, private equity, infrastructure and debt funds. She acts for both fund managers and institutional investors.

Much of Sarah's practice involves the structuring, establishment, and marketing of funds, where she finds the perspective gained from her experience acting for institutional investors is invaluable. Sarah also provides on-going advice to fund managers on a variety of contractual and regulatory matters. She additionally works on managed accounts, co-investments and investment joint ventures.

Representative experience

M&G on the launches of M&G Real Estate Debt Fund II and M&G Real Estate Debt Fund III.

A Middle Eastern sovereign wealth fund on a wide range of investments in global private equity and real estate funds.

Henderson Global Investors on its joint venture with TIAA in respect of its property investment business.

Lloyds Banking Group on the sale of its infrastructure funds business to Aberdeen Asset Management.
