

George Kiladze

Associate

London

Biography

George has experience in structured finance transactions and derivatives, working on a range of asset classes including automotive receivables, SME loans, consumer receivables, residential and commercial mortgages and student loans. He has worked on deals advising lenders, arrangers, originators and swap counterparties.

In 2017, George was seconded to FCE Bank where he assisted with the bank's private and public securitisation transactions in the UK and Europe, and helped negotiate the template variation margin credit support annexes with the bank's swap counterparties.
