

Amy Williamson

Senior Associate

London

Biography

Amy Williamson is a senior associate in the Investment Funds team. She advises on the structuring, establishment, operation and marketing of a variety of fund types, including infrastructure funds, hedge funds and private equity funds in Europe, the U.S. and Asia.

Amy's client base includes both fund managers and institutional investors, giving her a comprehensive oversight of the different perspectives held by managers when launching funds and investors when deploying capital. Her practice covers both listed and private funds across a range of asset classes, from renewables to reinsurance. Amy's experience also includes co-investments and investment joint ventures.

Representative experience

Advising John Laing Environmental Assets Group Limited on its placing and initial public offering on the Main Market of the London Stock Exchange.

Advising Lloyds Banking Group on the launch of Lloyds Bank Global Infrastructure Partners LP, a private infrastructure fund investing in Australia and the U.S.

Advising Lloyds Banking Group on the transfer of its infrastructure fund management business to Aberdeen Asset Management.
