The A Perspective Podcast: Andrew Skipper talks to Lucy Quist

22 May 2020

The A Perspective Podcast

Andrew Skipper is the Head of Hogan Lovells Africa Practice. Since taking on this role six years ago, he has met and formed close relationships with some of Africa's most influential leaders, both on and off the continent.

On episode 5, Andrew Skipper talks to International Business leader and Author, Lucy Quist about her new book [The Bold New Normal](#). Join them as they cover a range interesting topics including; key lessons that African governments can learn from COVID-19 and translating that into post-pandemic policies. Lucy reveals her own experience in mandatory quarantine and shares her observations on the agility and flexibility of businesses in Africa during the pandemic, the important role of the youth in African leadership and why we need to "rebrand Africa".
