

5 points to consider before entering a distressed M&A deal

17 July 2020

Mergers & Acquisitions Magazine

In the waning months of 2019, market commentators and investment professionals could increasingly be heard sounding the alarm for a potential economic downturn. Right or wrong in their prognostications, none could have anticipated the economic calamity that we are now experiencing as the impact of the COVID-19 pandemic continues to ripple across the globe from its Wuhan, China epicenter.
