

Initial Public Offerings

It's a lifecycle event like no other. An initial public offering involves careful timing, an all-hands-on-deck approach. Your legal team needs to know the market, industry, and ultimate goal. The IPO's opportunities and risks.

The equity capital markets lawyers at Hogan Lovells handle high-profile IPOs. We help you choose the right team. Define the underwriting terms. Work with the auditors. File the registration statement. Issuers, investment banks, and other investors trust our global experience in these kinds of company-changing matters. Single and dual listings. We assist on strategic planning. Legal, business, financial, and accounting due diligence. Marketing, pricing, selling. Together, we can take you to the next level.
