

Sophie Thiel

Senior Associate

Munich

Biography

Sophie Thiel focuses on complex domestic and international arbitration and litigation proceedings as well as alternative dispute resolution. She has over seven years of experience in advising and representing clients especially in corporate and commercial disputes such as post M&A issues, white collar crimes or general commercial disputes in the energy, construction, telecommunication, automotive and pharmaceuticals industries.

Sophie is the former regional coordinator for the DIS 40 regional group of Munich. During her professional training Sophie gained experience in the Dispute Resolution and Corporate practice groups in our Frankfurt office as well as with a leading American law firm in Frankfurt and London. She grew up in Germany, France and the U.S. and spent several years in Dubai. She is fluent in German, English and French and has basic knowledge of Spanish and Arabic.

Representative experience

Representing a leading Asian high-tech company in an ICC-arbitration regarding a post M&A-dispute in connection with the acquisition of a business unit of Siemens.
