Biography

Lars Bengler helps you to efficiently navigate through complex M&A transactions. He brings a wealth of knowledge and 15 years of experience in the private equity industry to the table. Plugged in to the private equity environment, Lars also maintains close relationships with strategic investors. Financial sponsors, strategic investors, banks and M&A advisors consider Lars as pragmatic and solution-driven.

He is widely known for being an exceptionally numerical lawyer who understands the value drivers in M&A transactions and translates those in safe and sound legal arrangements. It is there, at the interface between M&A process constraints, requirements of the debt financing providers, dealing with management teams who co-invest and satisfying limited partners' needs to push the transaction over the finishing line, where Lars is difficult to beat. Lars works out of our Dusseldorf office and is well connected in our international M&A network.
