

Alistair Handy

Associate

London

Biography

Alistair Handy is an associate in our Finance Group at Hogan Lovells. His practice focuses on leveraged and acquisition finance. He has extensive experience advising banks, debt funds and borrowers on a wide range of financings, including senior, unitranche/super senior arrangements on acquisitions as well as refinancings.

A secondment to our Sydney office allowed him to work with lawyers across our international network.

Representative experience

Advising HSBC and Barings in relation to the provision of facilities backing the acquisition of technology business IMD by Inflexion.
