

Claudia Colomba

Senior Associate

Rome

Biography

Having received a Bachelor's Degree at the LUISS Guido Carli University in Rome and a Master's Degree in Business Law, Claudia Colomba joined the firm in 2007. Claudia was then seconded to the Legal and Regulatory Division of Assosim (Italian Association of Financial Intermediaries) in 2008, advising its associates on regulatory and financial matters.

She provides assistance to international financial institutions in a variety of industry sectors such as collective management, pensions, insurance, banking and payment services. When clients need assistance on day-to-day regulatory issues, are looking for advice on the structuring or analysis of financial, banking or insurance products, or need support to liaise with relevant Italian regulators, Claudia leverages her broad regulatory experience, is very responsive and satisfies clients' needs and requests in an efficient and timely manner. Claudia is qualified as a lawyer in Italy.

Representative experience

Assisting foreign insurance groups in the authorisation processes for the acquisition of an Italian insurance companies.

An Italian SGR for the set-up of an Italian real estate fund.
