## [Newsletter] International Merger Control Remedy Coordination in Action: Conditional Approvals Granted in U.S., EU, and China for Merger Between NXP and Freescale Based on Same Remedy

**07 12月 2015**

*Antitrust, Competition and Economic Regulation Alert*

On November 25, both the Federal Trade Commission and China's Ministry of Commerce approved NXP Semiconductors NV's proposed US\$11.8 billion takeover of Freescale Semiconductor Ltd., on the condition that NXP divests its radio frequency power amplifier assets to alleviate the agencies' competition concerns.
