

[Medical Device Alert] Important New Steps in the Evolution of the Federal Policy for Protection of Human Subjects

14 9 2015

Pharmaceutical and Biotechnology and Medical Device Alert

On September 2, 2015, the U.S. Department of Health and Human Services (HHS) and 15 other federal agencies issued a long-anticipated Notice of Proposed Rulemaking (NPRM) to overhaul regulations that govern research on human subjects (the Common Rule).
