

Andrew Alli

Andrew is the CEO of SouthBridge Group, a pan-African financial advisory group founded in 2017 by ex-President of the African Development Bank, Donald Kaberuka and Lionel Zinsou, ex-Prime Minister of the Republic of Benin. Andrew is the immediate past CEO of Africa Finance Corporation, where he was responsible for the overall strategy and operations of the Corporation.

The Executive Management under his leadership undertook over US\$4.5 billion in investments across Africa, financing high impact projects like a West African submarine Cable, a commercial wind farm in Cape Verde, a toll road in South Africa, a greenfield power plant in Ghana and a flagship road infrastructure project in Cote d'Ivoire. Andrew is a non-executive director on the boards of the Development Bank of Nigeria and the CDC, respectively, the Nigerian and British owned development finance institutions.
