

Malek Sukkar

Mr Malek Sukkar is the current Chief Executive Officer of Averda. Malek studied Manufacturing Engineering at Boston University before starting his career with a machinery manufacturer in London. In 1994, he joined Sukkar Engineering, and six years later was appointed CEO of the newly consolidated Averda Group.

Malek is also a Board member of Growthgate Capital, a Trustee of Boston University and is a member of the World Economic Forum as an active participant in the Annual Meetings globally and founding member to the Platform for Accelerating the Circular Economy (PACE). He is an avid collector of art and sponsors gifted artists around the world.
