

Hogan Lovells Solutions

Bringing more. Adding value.

When the issues confronting your organization require a multi-disciplinary solution, Hogan Lovells delivers. We are constantly growing our portfolio of business solutions that seamlessly integrate with our market leading legal services.

Our offerings currently include:

- **Strategic Communications:** Provides clients a complete solution that spans issue advocacy, crisis communications, litigation communications, and reputation management, delivered by an integrated team of communications professionals, public policy advocates, and lawyers.
- **Financial Services Regulatory Consulting:** Offers clients a fresh approach to solving regulatory challenges by combining the deep industry knowledge of experienced consultants with market-leading legal strategy. Our team works together to resolve historic issues as well as establish and develop new businesses and innovative products, creating a customized, cost-effective approach for each individual client.
- **Transfer Pricing & Economic Valuation:** A strategic combination of engineers, economists, and seasoned business professionals working hand-in-hand with our legal team. Our team identifies what drives value in a business and then helps put a price on it, using a wealth of in-house, advisory, and tax authority experience to create and implement solutions that really work.
- **Cyber Risk Services:** A team of technical and risk management professionals working side by side with our lawyers, providing more of what our cybersecurity legal practice is already known for: a unique blend of technical knowledge, operational experience, and of course legal and regulatory skills that can help clients manage the increasing variety of cybersecurity issues and situations confronting every organization.
- **And more...via Hogan Lovells Engage:** Unlock more of our legal analyses and thought leadership via our leading-edge LawTech portal, Hogan Lovells Engage. HL Engage offers customized access to content and tools relevant to clients' specific businesses at HLEngage.com.

Today's world doesn't wait for complex solutions to be implemented across a host of advisors. We make it easy for you to get and use the answers you need, all with one coordinated global team. *Hogan Lovells Solutions – bringing more, adding value.*
