Sector COVID-19  
Resource Guide

# Hogan Lovells Consumer Sector COVID-19 Resource Guide

The Hogan Lovells Consumer Team recognizes the challenges that you are facing during this uncertain time. Businesses are reshaping the way they operate and consumers are changing the way they shop. Supply chains are strained. Plants and factories are closing down or transitioning to making health care products. Workers want to know if it is safe to come to work.

As COVID-19 continues to impact consumer companies around the world, and there seems to be an endless stream of new information, our team has compiled the firm's guidance and alerts that are most relevant to your business. In the following pages, you will find a compilation of the guidance that the Hogan Lovells team has published to date to address the COVID-19 crisis.

If you have questions or need support, please do not hesitate to get in touch with the authors of these alerts listed in this guide or the Hogan Lovells lawyers with whom you regularly work.

## [COVID-19: A Global Guide](#)

Hogan Lovells has developed the [COVID-19 Global Guide](#) to help clients navigate the rapidly changing governmental, legal, and regulatory landscape of COVID-19. The Guide covers topics ranging from Government support schemes to the impact of COVID-19 on M&A, across 20 countries.

[Returning to the Workplace](#). The global coronavirus pandemic has impacted workforces in different ways in each sector. As many global businesses now navigate plans to safely return their employees to the workplace, we are faced with a web of interconnected issues and variations across jurisdictions. Here we've included a list of resources to help companies and their employees return to the workplace.

# Global supply chain
